

# Get **SERIOUS** About Your **SOUND**

From the name behind the two most successful lines of  
in-ear monitors in music history...

**Elite Series™**  
by Westone

## ES2 - Dual Driver Custom In-Ear Monitors

Custom made to provide an exact fit to the performer's ear, the Westone ES2 provides over 25 dB of ambient noise reduction. The dual balanced armature design provides exceptional low frequency response, clear mids and sizzling highs that allow the artist or engineer to shape the sound to their personal preferences. Designed for the most demanding artists, the Westone ES2 must be heard to be believed.

### ES2 Specifications

**Sensitivity:** 119 dB/mW

**Frequency response:** 20 Hz-18 kHz

**Impedance:** 27 ohms

**Driver:** Dual balanced armature drivers with a passive crossover

**Features:** Replaceable cable, one year parts and labor warranty on internal components, 25 dB average acoustic separation, user manual

## ES1 - Single Driver Custom In-Ear Monitors

Built to the same exacting standards as the ES2, the single-armature Westone ES1 offers performance, comfort and excellent sound fidelity. Custom made to fit the artist's ear, the ES1 provides over 25 dB of ambient noise reduction and offers great sound quality for the budget minded musician.

### ES1 Specifications

**Sensitivity:** 114 dB/mW

**Frequency response:** 40 Hz -16 kHz

**Impedance:** 25 ohms

**Driver:** Balanced armature

**Features:** Replaceable cable, one year parts and labor warranty on internal components, 25 dB average acoustic separation, user manual

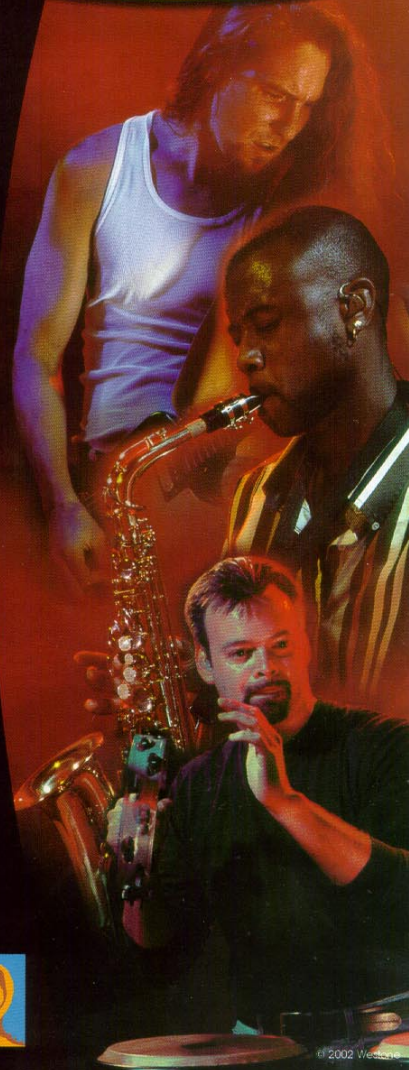

## ES49 - Musicians Earplugs

Also known as the Westone style #49, the ES49 is the earplug of choice for the performing musician or concert goer. Whether you are into Mozart or Metallica, the flat attenuation (noise reduction) characteristics let you hear your music accurately but at a safer level. The ES49 is a canal only earmold that is very small and unobtrusive. With a choice of either the ER9, ER15 or ER25 filters, the ES49 is the choice for the most discriminating performing musicians or music lovers.
